Compliance with the Commandments of Yah is necessary to live without Sin

One of the fundamental requirements for any True Believer to have a deep personal relationship with the Almighty Creator whose True Name is Yah as in "[Yah the Eternally Self-Existing](#)" {incorrectly the LORD} is to live life free of sin.

It is NOT possible to get REALLY CLOSE to Father Yah while you have sin in your life and are therefore a servant of Satan.

Many will recount the lie that it is impossible to live without sin, but this is just that, a LIE! Yahooshua the Anointed of Yah {incorrectly Jesus Christ} showed how it is done, refer to the article "[The miraculous planning of the death of Yahooshua – where, how and what](#)" to understand how Yahooshua made a way for us to easily repent of and get free of sin.

Yahooshua was a **man** filled with the Spirit of Yah and it was the Spirit of Yah that performed the miracles – see the article "[Can YOU prove that Jesus IS God?](#)" – such infilling and lifestyle is totally available to YOU IF you choose to pursue it!

The article "[What is required to live ABOVE SIN?](#)" gives further guidance as does the article "[Seven Components in Growing Close to Yah](#)" which is strongly recommended in terms of lifestyle practice.

[Prayers to Rehearse the Covenant Meal {Communion} for Forgiveness of Sin and Protection](#)" gives the prayers and rituals to follow for repentance from Sin.

"[Is it possible to live a life without sin?](#)" contains a detailed response to a correspondent who challenged my assertion that it is possible to live a life without Sin.

Believers in Hell for Unrepented Sin

As a Believer, the counterpoint to living without sin is to realize that you will spend time in Hell being tormented and punished for ALL unrepented sin BEFORE you enter Heaven, see the article "[Believers in Hell for Unrepented Sin](#)" – this should give you plenty of incentive to seek to live without Sin.

Filled with the Spirit of Yah

If you are NOT filled with the Spirit of Yah and in communion with Him you are going to find it close to impossible to live without Sin, refer particularly to the article "[Prayer to be Anointed \(filled\) with the Set-Apart {Holy} Spirit of the Creator](#)" and also "[Experiencing the Anointing -- HOW does it manifest?](#)", there is much more on the website at www.ETIMin.org

What IS Sin?

In order to be free of Sin one needs to understand what Sin is.

Fundamentally, and in its most fundamental definition, Sin is breaking any of the major Commandments – the Great Commandment and the Ten Commandments. Beyond this Sin also includes deliberate disobedience to personal revelations given directly by Yah to a specific Believer – this relates to living in harmony with Yah and being filled with His Spirit.

In its simplest definition Sin is rebellion against Yah in any shape or form.

Not the 613 Mitzvot

Certain people believe that Yah's Commandments include the 613 Mitzvot – 613 manmade rules that detract from seeking relationship with Yah. Sin is specifically keeping the Great Commandment and the Ten Commandments and the logical extensions of those Commandments as revealed to an individual Believer by the Spirit of Yah in specific circumstances, it is NOT the 613 Mitzvot.

The Commandments to Observe

In summary the Commandments to Observe are:

0. The Great Commandment – Love Yah with ALL your heart, mind, soul and strength

If you are NOT seriously committed to Yah in a way that shows in your life you are in Sin!

This is the ONLY Commandment of relevance to unbelievers!

The Ten Commandments

1. Yah is ONE, do NOT worship others

Do not worship or inappropriately esteem Yahooshua, Moshe, Mohammed or any other human being or any Demonic deity.

2. Do NOT Worship Idols

Do not worship the Bible, the Quran, the Torah, the Cross or any other manmade artifact or hold it in inappropriate esteem.

3. Do NOT take the Name of Yah in Vain

The true Name of the Creator is "Yah" any secular word that is spelt similarly or sounds similar is breaking this Commandment. Yahoo.com is a classic example as is "Ja" for yes in various languages.

4. Keep the Sabbaths

This includes strict observance of the true Saturday Sabbath and the six High Sabbaths designated by the Creator.

5. Honor your Parents

In particular do NOT farm them off to a retirement home and visit them once a week for an hour. Show respect, be obedient, look after them, do NOT curse them, etcetera.

6. No Murder

Includes all forms of abortion, including abortive contraceptives that prevent implantation of a fertilized ovum. Also supporting abolition of the death penalty for murder and supporting the "right" to abortion.

7. No Adultery

Relates to sex by a man with a woman who is not a virgin, truly divorced or widowed at consummation. Also sex between men.

8. No Stealing

Includes fraudulent advertising and ministers of religion who take up offerings and receive financial contributions while teaching lies – just about all ministers of religion.

9. No False Witness or Lying

Includes ministers of religion who teach false doctrines – prevalent in all Religions. Given that we are here to have a **deep personal relationship** with the Creator any religious institution / grouping / church / synagogue / mosque / temple / etcetera is at some level peddling lies and should be avoided.

10. No Coveting or Lusting

Most advertising is designed to cause people to break this Commandment. Includes looking at a man or woman who is not one's consummate spouse and visualizing having sex with them – whether in the flesh or in photographs or videos.

Conclusion

This is a big topic. See the articles cited and other articles on the website to better understand Sin.

The Commandments are discussed in some detail in the article "[The Essence of my Message regarding the Commandments](#)" and in more detail in the series that starts with "[Commandments](#)" and follows on from that.
