The True Name of the Almighty Creator is Yah the Eternally Self-Existing

How does one have a relationship with someone if one does not know that person's name?

The Almighty Creator has said "***IF you love me you will call me by my True Name!***"

So, do YOU know The true Name of the Almighty Creator?

Do you know Him as "The LORD"?

God?

Did you know that the Hebrew word that means "LORD" when accurately translated is "Baal" the Demonic Mastermind and Idol that is repeatedly condemned in the "Old Testament" of the Bible?

Did you know that it is an insult to refer to the Almighty Creator as "The LORD"?

Did you know that since May 2003 it has been gross sin to refer to Father as "The LORD"? Grace for this error was withdrawn so that [Satan could be sentenced to 1,000 years in the Pit.](#)

Did you know that you will bring judgment on yourself if you continue to refer to Him as "The LORD"?

In other words, avoid calling the Creator "The LORD" at all costs.

So, what IS His true Name?

The New King James Bible reports Deuteronomy 6:4 as saying "*Hear, O Israel: The LORD our God, the LORD is one!*"

If we drill down on that in the Interlinear Bible we find that the word represented as "The LORD" in this verse is actually Strong's number 3068 Hebrew יהוה rendered "Yahweh."

Drilling down to Strong's Concordance and other references at biblehub.com we find that YHVH (the actual Hebrew) is reported as "the proper name of the God of Israel"

Scrolling down we find that Yahweh is translated God 314 times, LORD 6399 times and LORD's 111 times!

So this is pretty important!

When I first heard of “Yahweh” I went to Father and asked Him if this was important. His reply was simple... "**James, how would you like it if your family called you by the name of your worst enemy?**"

If you fast for truth and get on your knees before Father seeking truth (takes time) see the article [“Getting close to Yah Appropriate prayer and fasting are VITAL \(the answer to doctrinal differences\)”](#) you will come to learn that “Yahooeh” is a more accurate rendering.

If you continue seeking truth you will eventually hear that the correct English rendering of Yah is “Yah the Eternally Self-Existing” – THIS is the Name that Yah says you will call Him IF you love Him”

See the webpage [“The TRUE Name of the Creator is Yah the Eternally Self-Existing”](#) for further discussion.

Once you realize that the True, ESSENTIAL, unchanging Name of the Creator is “Yah” you will discover that the Name Yah is embedded in about 100 Hebrew Names starting with “Yahooshua” incorrectly referred to by Christians as “Jesus”. Yahooshua means “Yah is Salvation” which puts a very different spin on who Yahooshua is and is not, but that is a topic for another article.

Refer to the article [“The TRUE Names of the Almighty in the Bible -- Detailed Analysis”](#) and the associated child pages for a comprehensive list of all the names that include “Yah” to understand how the True Name “Yah” permeates the Bible.

I am in the process of creating the [ETI version of the Bible](#) which corrects the above and related errors with the result that in my translation the Name Yah occurs 4,855 times in the so-called “New Testament” with commentary and 11,177 times in the so-called “Old Testament” with commentary.

This gives a totally different focus to the Bible!

God

Regarding God.

Consider Exodus 20:2-3 “...2*I am the LORD your God, who brought you out of the land of Egypt, out of the house of slavery. 3 You shall have no other gods before Me*”

Drilling down to the Interlinear Bible we find that the Hebrew אֱלֹהִים translated gods in this case is Elohim which is Strong’s Hebrew number 430 which occurs 2,598 times in the so-called “Old Testament”.

Drilling down on Strong’s 430 we find that “elohim” can also refer to “rulers, judges, spiritual ones including angels (messengers), Satan, etcetera and, in fact should be translated “mighty one” when it refers to someone other than Yah or “Mighty One” or “the Almighty” when referring to Yah.

Again, “God” is a blasphemous name and should be avoided at ALL COSTS”.

"Eli" as in "EliYah" is a derivative of Elohim generally also translated "God" but correctly translates as "My Beloved Mighty One" so "EliYah" means "Yah is my Beloved Mighty One",

it is a term of endearment and there are about 100 names in the Old Testament that contain "Eli".

When referring to the Creator refer to Him as Yah first and foremost or as "The Almighty" if the context indicates otherwise or "Mighty One" as in "*Yah the Eternally Self-Existing is one Mighty One, you shall have no other Mighty One's before Him*"

Conclusion

This is really important, I strongly encourage you to start using "Yah", "Yahooeh", "The Almighty" and "Might One" in the context of the Almighty Creator with immediate effect.

Please feel free to email me and I will answer your questions and support you in your journey to become a Friend of Yah.

I look forward to hearing from you.

May Father bless you and keep you and make His face to shine upon you and grant you His Peace

May Yah judge me severely and correct me harshly and show me the level of my present deception and how to correct it with regard to everything that I write and publish
