Satan the Contest and the Current Spiritual Dispensation

It is said that the Creator is loving, merciful, gentle, forgiving, slow to anger and many other positive attributes.

But the world is a mess with wars, disease, poverty running rampant on the Earth.

Something does not add up?!

So, what is REALLY going on?

This is discussed at length in the article "[The Essence of my Message re History -- Our World Today -- the REAL Facts](#)"

In summary:

1. The Almighty was lonely so he set out to create intelligent beings to be His Friends

Millions of years ago, the Creator, whose True Name is "Yah the Eternally Self-Existing" because He has always existed, was lonely and decided to create beings who he could have dialogue with, who were intelligent, were creative, had reasoning ability, etcetera.

2. He created the Universe, multiple Solar Systems, multiple suitable planets and finally Earth

In the Creative process he created the Universe, the multiple Solar Systems and multiple planets suitable for life. Many early experiments failed until He created Planet Earth.

3. He created plants, then animals and was about to create Human Beings

He systematically created plants and animals until he was ready to create human beings and then something went wrong.

4. He created spirit beings to help Him – Messengers {Angels}

In the process he created Messengers {Angels} to help Him but something went wrong.

5. Hillel Rebels

He created three armies of Messengers, the commander of one of these was Hillel, the light bearer. Due to a manufacturing defect pride entered in and Hillel rebelled and challenged Yah.

6. The Contest

Yah was about to cast Hillel and those who followed him in his rebellion into the Lake of Fire and Brimstone – the incinerator of Heaven, when Hillel challenged Yah to a Contest. In simple terms, Hillel said "*send me to Earth with my followers and I wager that after seven thousand years not one of these human beings you are about to create will believe you exist!*"

7. Yah accepted the challenge

Yah was angry and accepted the challenge with some more detailed “Rules of Engagement” and Hillel, now called Satan, the Accuser, was cast out to Earth with the Billions of Messengers under his command.

8. Satan corrupts Human Beings

Satan and his followers set to work corrupting human kind and in the process Satan tricked Adam into handing all authority on Earth to himself (Satan).. The Satanic armies were so successful that after 1,500 years only Noah and his son Shem and their respective wives still believed in the Creator and Noah prayed for Yah to destroy the unbelievers with a flood, see the article [“More About The Flood -- Proof of a Global Flood – Complete Video”](#)

9. Corruption continues to this day

This corruption has continued to this day such that Father says that this generation is the **“most evil generation that has ever lived”** exceeding the evil of those before the Flood.

10. Yahooshua {Jesus} lived without Sin and died to initiate a New Covenant

Just over 2,000 years ago, the first Spirit Being created by Yah came to Earth as a human being called Yahooshua (meaning Yah is Salvation) {incorrectly Jesus} and by living and dying without Sin ushered in a New Covenant to afford true Believers with an offering for forgiveness of Sin, see the article [“The miraculous planning of the death of Yahooshua – where, how and what”](#)

11. Satan to the Pit for 1,000 years on 3 May 2003 -- 979 years from now

On 3 May 2003 Satan was arrested, brought before the Court of Heaven, charged with crimes against humanity and against Yah and sentenced to 1,000 years in the Pit as per Revelation 20:3 see the article [“Satan sentenced to one thousand years in the Pit on 3 May 2003”](#)

12. Junta of Seven Demonic Masterminds now Rule on Earth

From the point that Satan was incarcerated the Earth has been ruled by a Junta of seven Demonic Masterminds who are each seeking to outdo the other in their evil schemes. These are all Human Ancestor Spirits from the first Demons dating back to before the Flood see the article [“Satan rules the world through the leadership of Demonic Masterminds and human Satan Servants”](#)

13. True Belief will die out in 100 years unless there is a major Revival in ALL Truth

Yah has said that in the absence of a major Revival in ALL Truth within the next few years True Belief will die out within 100 years. See the article [“Will YOU Initiate a Revival with me?”](#)

Conclusion – Time for YOU to make a difference

It is time for YOU to draw REALLY close to Father Yah and take the measures necessary to help bring Revival to the Earth – see the article [“Seven Components in Growing Close to Yah”](#)

Please feel free to email me and I will answer your questions and support you in your journey to become a Friend of Yah.

I look forward to hearing from you.

May Father bless you and keep you and make His face to shine upon you and grant you His Peace

May Yah judge me severely and correct me harshly and show me the level of my present deception and how to correct it with regard to everything that I write and publish
