Prayers to cast out Demons and for protection from the Satanic and Demonic Realm

As we have seen in the recent article "[Satan the Contest and the Current Spiritual Dispensation](#)" the Satanic and Demonic forces dominate and control the world – how do you get free?

Since Creation over 100 billion human beings have died as unbelievers and become Ancestor Spirits (aka Demons). Barring a minute number of strong Believers who are strongly walking free of sin and have repeatedly prayed the appropriate prayers, every other human being is carrying any number of Demons. Believers are particularly prone to carrying Demons as the Satanic and Demonic Realm does everything possible to destroy or at least disempower Believers such that most wars are fought between competing groups of Believers.

Demons are disembodied human spirits – humans who died without Belief in the Creator. These spirits rely on other humans, animals or Satanic Messengers {Angels} to transport them else they remain where their corpse has rotted, in the grave or wherever see article "[Judgment of Unbelievers Who Die](#)" and "[The Horrors of Death as an Unbeliever](#)"

The Satanic forces are made up of Messengers {Angels} who followed Satan when he rebelled. Every Believer has a Satanic Messenger assigned to them whose job it is to watch them and report sins that are suitable for seeking judgment and report on action they take that is to the benefit of the Satanic and Demonic Realm see the article "[The Essence of my message re the Satanic and Demonic](#)"

Yahooshua the Anointed of Yah {incorrectly Jesus Christ} lived a life free of sin and died a terrible death in order to regain authority over the Satanic and Demonic Realm which he then delegated to Believers – see the article "[The miraculous planning of the death of Yahooshua – where, how and what](#)".

Accordingly for true Believers there is a way to get free of Demons:

1. Overcome sin, see the article "[What is required to live ABOVE SIN?](#)"
2. Speak to whatever Demons are attached to you in the name of Yahooshua "*I speak to all Demons which are attached to me and which have no legal right to be attached to me and in the name of Yahooshua I bind you and command you to leave me now and go where Father Yah sends you. Father, in the name of Yahooshua, I thank you that you send your mighty warring Messengers to bind, tear down, cast out and send where you want to go the Demons that I have named*".

Generally most people have layers of Demons so you will likely have to pray this a number of times before those Demons are all gone.

There is much more information in the article "[Seven Components in Growing Close to Yah](#)" including guidance on undertaking a Spiritual Audit of your life.

3. You will likely have more deeply established Demons as a consequence of Bloodline curses or sin you committed earlier in your life that you have forgotten about and which gives them a legal right to be on you. You will have to deal with the legal rights before they will leave. Pray and ask Father to reveal whatever legal rights may be operating in your life so that you can pray in the name of Yahooshua to repent and cut off those legal rights. For example, in the case of a bloodline curse "*Father, in the name of Yahooshua I come against the curse of ... (whatever name you have had revealed to you) that is operating over my life, I renounce ... (associated beliefs, that may be shown to you /confess any sin you have been shown associated with the curse / Demons) and ask you Father in the name of Yahooshua to cut off the curse and send your mighty warning Messengers to bind, tear down, cast out and send where you want to go the Demons that I have named*".
4. You will likely also have learned behaviors from your Demons such as pride, fear, etcetera – the same basic principle applies, if you detect pride then speak to the "spirit of Pride", etcetera.
5. You can also apply the Blood of the Covenant as often as you feel led to provide protection from Demons, see the article "[Prayers to Rehearse the Covenant Meal {Communion} for Forgiveness of Sin and Protection](#)" you can also apply the Blood to your dwelling.
6. See also relevant prayers in the article "[The Essence of my message regarding Prayer](#)"

Conclusion – Time for YOU to get free

Please feel free to email me and I will answer your questions and support you in your journey to become a Friend of Yah.

I look forward to hearing from you.

May Father bless you and keep you and make His face to shine upon you and grant you His Peace

May Yah judge me severely and correct me harshly and show me the level of my present deception and how to correct it with regard to everything that I write and publish

Warm regards and blessings,
